

BONALDO

Deli

Characterised by a versatility that allows it to be at home in any environment, Deli is a chair with upholstery in leather, eco-leather or emery-leather. The legs can be fully upholstered or visible, in painted metal, creating tone-on-tone combinations or interesting contrasts with the upholstered part. The slim, tapered profile of its legs gives it a harmonious

and elegant look, while the compact structure makes it comfortable as well as resistant. Deli has an essential, clean and minimalist style, embellished with fine sartorial details and designed to ensure the utmost comfort thanks to the soft seat and the wide and low backrest. A chair that weds perfectly with the dining table of a home with timeless good taste.
