

Designer Giuseppe Bavuso, year 2019

Perfect for your bedroom. Boasting an essential and simplistic shape, this bed is very soft thanks to its two large cushions. The volume of the headboard contrasts beautifully with the bed's thin shape and narrow legs made of painted cast aluminium. With its cosy design, soft leather, distinctive materials and impeccable top stitching, Papillon is the perfect personification of comfort and well-being—essential elements for a good night's sleep.
