# Itala Office, Miss Itala Office

Designer: Gino Carollo

The elegant Office version of the Itala chair is striking on account of the proportions between the legs and the seat/backrest unit. The slight tapering of the latter is calculated to optimize the ergonomic performance and comfort of the seat, which is significantly improved. This which is an

essential quality for prolonged use of the chair in the workplace. The Itala Office is available with a swivelling metal base and with armrests, in the Miss Itala Office version.
