

The Place for Ideas

POP

Design by Air Design

Compostezza grintosa, freschezza dinamica. La seduta Pop è studiata per far scendere in pista la freneticità del quotidiano e la vitalità delle idee. Il sedile e lo schienale si adattano al peso di chi ne fa uso, mentre la scelta cromatica dona fisicità a quella pungente estrosità che intende esaltare. Ideata per sostenere il peso della creatività, Pop unisce semplicità e funzionalità in un'ottica di ottimizzazione delle prestazioni lavorative.

Gritty, fresh and dynamic. Pop was designed to fuel chaotic workdays and vital ideas. The seat and backrest adapt to bodyweight while the colorways express an in-your-face whimsy. Designed to support the weight of creativity, Pop brings simplicity and function together to optimize the workday.
