Morbido pouf dal sapore orientale, ma dalla sartorialità tipicamente italiana. La cucitura taglio al vivo impreziosisce ulteriormente il pouf Marrakech, arricchito già dal contrasto cromatico, un prodotto adattabile facilmente a diversi contesti domestici e contract.

A soft ottoman with an oriental aura, but with typical Italian craftsmanship. The raw-cut stitching further enhances Marrakech, already enticing due to its contrasting colors. A product that easily adapts to various domestic and contract contexts.
